Learning Today, Leading Tomorrow

Dear Wentzville R-IV School District Families:

In a continuing effort to meet the needs of our community, the Wentzville School District is offering the Chautauqua Before and After School program for families needing a caring, enriching, and well supervised program for their children's before and after school time. The Chautauqua Program is in its fifteenth year in the Wentzville School District; the program originally began as a summer program. We are pleased to offer this service at all elementary schools as an extension of the school day.

Increasingly, studies show that after school programs can make a difference and are a fundamental part of youth development. We are happy to provide a program that keeps kids safe, helps working families, and can improve academic performance.

The Chautauqua Before and After School Programs are designed to provide children with an enriching, nurturing, and safe environment. The program's focus is to enhance children's self-confidence, respect for others, and sense of responsibility while promoting development of social, physical, cognitive, emotional and creative skills, which are needed in everyday life.

If you are interested in registering your child(ren), please contact me at (636) 327-5090, ext. 23289, for more information. Thank you for choosing the Chautauqua Program and we look forward to serving you.

Sincerely,

Tanya Kirkpatrick

*The application process is the same for all families. There is at least a three day waiting period for applications to be processed, depending on the time frame of when the registration is completed. The application process is not complete until all forms and fees are received. If you prefer to pay in cash you must come to the Chautauqua Office and apply in person. The Chautauqua Office is open daily Monday through Friday from 7:30 AM- 4:30 PM. Once you have read the handbook, you may begin the on-line application process. The Chautauqua Office will start accepting applications for the 16-17 school year in May. **Applications will be available on-line throughout the year; however, applications for the start of school must be received no later than August 1, 2106. Applications received after the 1st will not have a start date beginning the first day of school.** No student's enrollment is complete until you have received a notification from the Chautauqua Office.*

Notification of Acceptance

An email confirmation will be sent when your child has been accepted into the program. This email will contain general program instructions along with your PIN numbers for pick up/drop off purposes.

Absences

If your child will not be attending Chautauqua because of appointments, vacations or other absences, please notify the staff in advance through calling the Chautauqua Office, notifying a Facilitator as you sign in, or on the parent communication log. (If your child is ill, please call or email the Chautauqua Office if your child is aftercare). Absences without prior notification may be mistaken for a missing child and time spent searching for the child may occur. If a child does not arrive at Chautauqua as intended, the Facilitator will contact the parents. If the parents cannot be reached, the Facilitator will contact the child's emergency contact designee. **Please note, if your child is absent from school or leaves early they may not return to the building to attend the Chautauqua Program.**

Changes in Schedule

If a change needs to be made to your monthly schedule indicated on the application form at any time during the year, parents must submit a Change Form to your Facilitator or the Chautauqua Office. A two week notice is required for all changes. If changes are made in the middle of the month, it is the parent/guardian's responsibility to call the Chautauqua Office (636-327-5090 ext. 23287) for the adjusted rates. Please note that we do not allow more than one change per month.

Withdrawal from the Chautauqua Program

A student may be withdrawn from the program at any time with a two week notice. Notice must be submitted through a Change Form and can be submitted to the staff, emailed or faxed to the Chautauqua office. Tuition fees will be charged through the last day of the required two week period. If you wish to return at any time and a notice was

not given you will be required to pay the outstanding balance before your student can re-enroll.

Changes in Personal Information

Any changes in personal information on the application form (i.e. changes in address, work numbers, etc.) must be written on a Change Form and given to the Chautauqua Facilitator at the school as soon as possible.

Staff Development Days and Spring Break

Staff Development Days

The Chautauqua program is available for certain days that students are off due to professional development of district teachers, please consult the calendar that is included in your handbook. This program will cost an additional fee, which is listed on your fee schedule. Students will be required to bring a sack lunch during this time. Advance sign-up is required and participants will be accepted on a first- come, first-served basis. The program will be located at select elementary sites due to a condensed enrollment on these days. Site directions will be given upon registration for these days.

If the Chautauqua Program is closed on these days due to inclement weather, parents will be notified before the program begins.

Delayed Start

The Wentzville School District offers a delayed start or “snow schedule day” option as an alternative to closing schools for the entire day. Under the right conditions, such as overnight snow accumulations or substantial wind chill readings, the District could delay the start time of all WSD schools by two hours at the discretion of the Superintendent. The Chautauqua Before School Program will be available to all students on these delayed start days beginning at 6:00 a.m. for an additional \$10 per session per child. The 10% multiple child discount does *not* apply. Students that are registered in the Before School Program on a full time basis will not have to enroll or pay for this program. Payment must be made at the time students are dropped off.

2016-2017 Chautauqua School Year Program Rates

A \$65.00 per family non-refundable application fee due upon registration for new families.

BEFORE/AFTER SCHOOL CHAUTAUQUA FEES

2016-17 SCHOOL YEAR CHAUTAUQUA FEES

A 10% discount will be given for additional children, to be taken off the lesser amount.

Fees are based on the total number of student attendance days in the District academic calendar. Payments are divided into ten (10) equal payments. There are no charges for school holidays, parent/teacher conference days, or break days included in this fee structure. Fees are based on the student academic calendar.

Payment Policy

A non-refundable, non-transferable enrollment fee of \$65 for each new first time family is due at time of enrollment. We do not offer partial payment for days missed. There is no refund policy for weeks/days missed other than the allowed five-day credit (see Illness/Vacation.) If divorced, both parents will have access to account information unless we have court papers stating otherwise. We do not get involved in custody situations determining payment of childcare; the parent who registers the child is responsible for payment on the Chautauqua account.

The monthly tuition is due on the first day of each month. A \$15 late fee will be assessed if an account has a balance after the 10th of each month. Your payment must be received by the 10th of each month. Parents will receive a notice that their account is delinquent, and an opportunity will be given to pay the account in full. **If the 10th falls on the weekend, payment must be made the Friday before in order to avoid a late fee. If you are late on your payment for two consecutive months you will have to prepay each month thereafter. If payment plan is not followed your child could be removed from our program.**

Payment options available:

- ***Credit Card***-We accept Visa, MasterCard, Discover, and American Express. Payments can be made online via invoices that are emailed monthly and parents can set up an automatic debit option to have your tuition taken monthly from your account.

- **ECHECK**-Parents can send in a voided check and the Chautauqua Program will set up tuition payments on an auto debit system to come out of your checking/savings account on a monthly basis.
- **CHECK OR CASH**-Do not mail cash or bring it into the Facilitators. Cash payments should be made directly to the Chautauqua Office. All other payments can be mailed, personally brought to the Chautauqua Office, or placed in the drop box on the door of the Chautauqua Office. Checks should be made payable to: The Wentzville School District and can be mailed to Chautauqua Program, 719 W Pearce Blvd. Wentzville, MO 63385

There is a \$20 return check fee that you will incur in the event your check does not clear. In the event that we receive a returned check on more than one occasion your account will be placed on a pre-payment status. Please note, we do not accept postdated checks, all checks will be cashed upon receipt. Payments should not be given to the classroom teacher; all payments must be submitted in the above manner.

Receipts

You may request a receipt in one of the following ways:

- **EMAIL**: Email the required information using the email address the Chautauqua Program has on file.
- **FAX**: Fax the required information to the Chautauqua Office (636-327-0054) and the receipt will be faxed back to the requested fax number.
- **MAIL**: The requested information will be mailed to the address the Chautauqua Program has on file.

Account information will not be released over the phone; all requests will be honored in approximately three business days.

Tax Statements

Tax statements will be emailed to address given by the registered parent by the IRS deadline of January 31 of the tax year. We cannot send out separate tax statements to more than one address, it is the parent(s) responsibility to forward that information to the correct person if it is someone other than who is listed on the account. The EIN number for the Chautauqua Program is 43-6004018.

Delinquent Account Policy

Once a child has been terminated from the program due to non-payment of tuition, a letter will be sent to the parent responsible for the account and an opportunity will be given to pay the account in full. If the balance remains unpaid, a fine will be placed in your child's school account.

Part-Time Care/Schedules

If your child is enrolled in the program on a part time basis it is up to the parent to provide a schedule to the staff in writing on a monthly basis. If schedules are not provided you may be asked to make other arrangements for the safety of your child(ren). Monthly schedules are binding and changes cannot be made for the safety of the students.

Late Pick Up Fees

The program opens at 6 a.m. and closes at 6 p.m. daily. Please be considerate of the closing time of the program. Chautauqua staff will begin calling your emergency contact list at 6 p.m. Failure to pick up your child by 6 p.m. will result in a charge of \$2/every minute per family. If your child is left at the site past 6 p.m. on more than two occasions, we will dismiss your child from the program.

If a child is still at the program after 6 p.m., the staff will take the following steps:

1. Contact parent/guardian phone numbers
2. Contact persons authorized on the child's enrollment form
3. Late fees will be assessed
4. At 6:30 p.m., the Police and/or the Department of Family Services may be contacted unless we have received word from an authorized pick-up person.

Illness/Vacation Procedure

Credit can be obtained for five **consecutive** school days of absence during a school year and will be deducted from your monthly payment. No more than five days can be claimed in one school year; days are non-transferable. The parent is responsible for notifying the Chautauqua Office and completing a Change Form when they would like to claim a credit for vacation purposes. This does not include days that school is not in session, such as holidays and snow days. **Vacation credits must be requested in advance, no credits will be given for past dates or dates that include days not in session.**

Sign-In Procedure

Parents/guardians/co-parents are required to accompany their child(ren) to the check in area and sign them in each morning. The check in system is for your child's safety. Failure to comply with the sign in system can result in dismissal from the program.

Sign-Out Procedure

Parents/guardians are required to pick up their child (ren) and sign them out each day at the check out area. If you are unable to pick up your child by 6 p.m., please make arrangements with one of the persons on your child's registration form to pick up your child. Please let the Coordinator know if the person listed to pick up your child changes. We check photo identifications if necessary. No child will be released to leave with someone who refuses to show identification when asked. This is for your child's safety. Any special circumstances regarding custody of children should be brought to the Coordinator's attention. The Chautauqua Program adheres to the Elementary Handbook for divorce/custody situations. **Please note, no one under the age of sixteen will be allowed to pick up a student from the Chautauqua Program.**

Snow Days/Closing Policy

In the case of inclement weather or other emergency, the District Central Office may decide to close school. If this should happen, parents/guardians will be notified. The Chautauqua Program will not be in session on these days. We will make up snow days at the conclusion of the year for no additional fees.

Early Dismissal Policy

In the case of inclement weather or other emergency, the District Central Office may decide to close school early. If this should happen, parents/guardians will be notified. We will make every attempt to keep Chautauqua open; however, we do not want to endanger our staff and may ask that you pick your children up before 6:00 p.m.

Meals and Snacks

The after school program provides children with an afternoon snack. If your child has a food allergy please note that on the registration form. **A snack calendar is posted monthly and students have the option to bring a snack from home if they choose not to take the one provided by the program. Please note, for the safety of our students snacks cannot be shared and we ask that students do not bring snacks containing peanuts.** On the full days that the program is open, children will need to bring a sack lunch.

Learning Environment

The Chautauqua staff realizes that children learn best when the curriculum is diverse and all areas of a child's development play a part: physical, social, emotional, and cognitive. During all sessions of the Chautauqua program developmentally and age appropriate activities are planned. Gross motor play is available daily in the gym or outside, or both, encouraging the children to develop physical coordination and release energy. While children help plan, clean up and eat a snack, they learn responsibility, social skills, and why their bodies need a balanced diet and nutritious foods.

The Chautauqua Before and After Program focuses on centers with appropriate materials designed to allow the children to make choices and decisions, as well as to foster inquiry, discovery and learning through different types of play. The emphasis is always on choice. Children should have many opportunities to make choices during the time they spend with us.

Dress

Remember that Chautauqua staff will take children outside early mornings and afternoon whenever weather permits. Please be sure all children are dressed appropriately for outside/gym play.

Homework Policy

The Chautauqua Program will offer a homework center where students can have a quiet learning environment. We will not, however, force children to do homework. The opportunity will be there for every student with the availability of A+ tutors on certain days.

Special Needs of Children

If your child has special needs, note the proper information on the registration form or contact the Chautauqua Coordinator at 636-327-5090, ext. 23289. Every effort will be made to accommodate your child as we will work in coordination with the Wentzville School District Special Services Department.

Discipline

We want to ensure a safe and fun environment for your child(ren). We have established rules to help us meet this goal. Attendance in this program is considered to be a privilege and is not a requirement. We appreciate and require parental support when you are informed of a discipline situation. If we do not receive support in our discipline process, the family will be dismissed from the program. The goal in discipline is that children will regulate their own behavior. Occasionally parents are requested to pick up a child who is very disruptive.

Basic Rules: (Note these rules are not all inclusive, but most expectations for appropriate behaviors can be placed in these general categories.)

Respecting Others

Excessive noise, shouting, swearing, talk of inappropriate subjects, hitting, not being truthful, kicking, shoving, disrespect to students or staff, etc. are all unacceptable behaviors. Any child who physically or emotionally harms anyone will be reported to parents/guardians. Repeated incidents may result in suspension and or dismissal from the program.

Following Directions

Children will be expected to follow building and playground rules, listen to instructions, and ask questions if not clear about directions.

Practice Safety

Children will be expected to stay with the group in a designated area, ask for permission to leave an area, have bathroom privileges, and walk in halls to or from one activity to another.

Discipline Plan

If rules are not followed, or if disciplinary action is necessary, these steps will be used.

1. Verbal warning and discussion or reminder of expected behavior. This may include re-direction to another activity chosen by the staff or the child.
2. Parent phone call.
3. Discuss reoccurring or serious behavior concerns with the child. A behavior form may be required.
4. In any situation where we cannot gain control of the child, the parent will be contacted to immediately pick up the child.

Dismissal from the Program

Immediate dismissal from the program will be necessary in the case of a child or parent becoming physically or verbally violent with a staff member, or another child for repeated incidents of a serious nature. The parent /guardian will be contacted and required to immediately pick up the child with no reimbursement for the day. A child will also be dismissed in the case of repeated incidents endangering the physical or emotional safety of any child or staff in the program, or consistently disrupting the flow of the program. In certain circumstances, a child may be released from the program without notice. Safety is our main priority. The Chautauqua staff will work with the

child and cooperate with families to resolve problems; if behavior does not change, dismissal from the program will result.

Any student who is serving an “In-School Suspension” will have limited activities in the program.

Any student who is serving an “Out-of-School Suspension” may not participate in the program for the days listed on the District’s Discipline Report.

Prevention and Control of Communicable Diseases

It is very important that we attempt to control the spread of communicable diseases. We would appreciate your consideration in following these guidelines:

1. Students should be fever-free (without the influence of fever reducing medication) for 24 hours before returning to school.
2. Students should be free of contagious coughing.
3. Students should remain at home for 24 hours after taking the first dose of an antibiotic for an infection.

Illness Policy

If your child is ill or experiences any of the above, please DO NOT bring them to Chautauqua. Should your child become ill while in the program, you will be asked to make arrangements for the child to be picked up as soon as possible. Immediate first aid will be provided for a child who sustains a minor injury (scrape, scratch, insect bite, etc.) A written report will be filled out and given to the parent at the time of pick up. In serious cases, 911 will be called and an emergency vehicle will take the child to the hospital. The parents/guardians will be contacted immediately. If an emergency is such that immediate transportation to the hospital is necessary, a staff member may accompany the child and will have in their possession the emergency consent form signed by the parent.

Medications

Parents of students who require the use of medication are encouraged to give medication to their students before attending the program. Each building’s health clinic is open during school hours only. There will be no access to the health clinics during Chautauqua’s before and after school hours. **Chautauqua staff cannot dispense medications.** If your child has a medical situation and requires use of an EpiPen or inhaler the parent is required to submit a note in writing to the Coordinator to make sure staff is aware, along with the physician’s orders. Please do not send medication with your child.

Transportation

To ensure the safety of the students in our program we do not allow the option to have a bus on record if your child is enrolled in aftercare on a full time basis.
