Chautauqua 2017-2018

All returning families' information will continue into next year. You will receive an email with your child's current information that will transfer to next year. If anything will be changing it is the parent's responsibility to notify the Chautauqua Office. If your child will no longer need our program, you will need to complete a Change Form and turn that in to a staff member or fax to the Chautauqua Office at 636-327-8611. Forms are available on our website:

www.wentzville.k12.mo.us

Under "School Information," then "Chautauqua." Parents will be responsible for reading the Chautauqua Handbook for the next school year as there are some changes to make note of.

Early Release

The district will release early on May 25 which is the last day of school. Please respond on the iPad whether or not your child will be attending the aftercare program on that day. If your student is not regularly enrolled in the aftercare portion of the program there is an additional \$12 charge. Please note, if you mark yes we will keep your student in the program.

We have reached our final weeks of school and our students could not be more excited about their summer vacation.

There is still more fun to be had this month with our theme of "Journey to the Center of the Earth." The students will be learning all about our planet, watching a volcano erupt, and much more.

We have enjoyed having your child(ren) in our program and look forward to seeing everyone next year. Enjoy your time off and we will see you on August 17th.

Students transferring to a new building do not need to notify the Chautauqua Office. Those students will be placed by our staff.

As you look to the next school year, all Full Days will be located on the 17-18 registration form for the entire school year. Please note, payment is due upon registration and dates will close at least one week before the Full Day.

All PIN numbers will remain the same for the next school year; if you will need to add/remove someone from your list you will need to contact the Chautauqua Office by August 1, 2017 in order to ensure that your information is up to date by the first day of school.

All August payments will be due no later than August 1, 2017 to ensure that your student will start on the first day of school.
